

Waltham Forest Oral History Workshop Copyright Consent Form

This form is to help us to properly archive your oral history interview. Recordings will be kept at Vestry House Museum, Walthamstow. By assigning to us the copyright on your recording it enables us to use the information you have given us for further research and dissemination. We do not seek to make a profit – our aim is to leave these recordings as an important record for future generations. Any income is ploughed back into the Workshop.

In return for your consent, we will only use the recording in the following ways:

- As part of our archive
- For educational purposes
- As part of a publication by the Workshop in print and/or electronic versions

We undertake to ask your permission for publication by any third party whether in printed or electronic form. We abide by the Ethical and Copyright Guidelines as published by the Oral History Society (a copy can be supplied on request).
